UNIT TO BE COLLECTED BY SOUND CHECK ELECTRONICS

Tear Here
Customer Copy

Customer Receipt

Once your unit has been picked up, we will book it into our system and email you a job number.
You will then be able to track the progress of you repair by going to
www.SoundCheckElectronics.com.au/job-status and typing your job number in the search bar.

Our repair time at the moment is approx 3-4 weeks (if parts are required this may be longer).

If you require express service, please text or email us (additional fee will apply)

Quotes are only given where the total repair cost is likely to exceed \$220 including GST
A diagnostic fee of \$65 will be charged if a quote is given but you decide not to proceed with the repair.

Please ensure you have made a copy of any data saved on your goods.

Sound Check Electronics is not responsible for any data loss or for restoring any lost data

For more information on our Service Rates, please visit our website.
